Notes about Vineyard Children's Center (VCC) Tuition:

1. A minimum enrollment of 2 days for full time students and 3 days for half time students is required.
2. Tuition is based on the cost for a full year which is then divided into 12 equal payments.
3. The published weekly and daily rates are only used when families leave or enter VCC for a portion of a month (prorating), or when a family needs to add a drop-in day to their child's normal part time schedule.
4. Tuition is due by the end of the business day on the seventh of each month. Overdue tuition incurs a penalty fee of 3%.
